You are invited to the Bushwalking NSW  
February General Meeting Keynote Presentation:

## Keeping Your Club On Track

To be presented by Kirsten Mayer, Executive Officer, Bushwalking NSW

On *Tuesday 20 February, 2018 at Redfern Town Hall*

Is running your club the fun, easy, enjoyable task we probably all wish it to be?

Do you get bogged down in emotionally charged interactions when one person has a burning issue and seemingly boundless energy to pursue it...and well...maybe it isn't that big a deal?

Are there times in committee meetings when you think you'd much rather be somewhere else...even say...out bushwalking?

Join us for a little club-running navel gazing. We're going to share some:

### Tips for the smooth running of bushwalking clubs

Your presenter/facilitator for the evening, Kirsten Mayer, has nowhere near the experience of her audience (that's you!), so [share your own tips, stories, tricks and ideas](#), and we shall see what we can do together.

The door prize/s of the evening goes to whomever can come up with the most helpful or funniest club-running story/tip/idea/approach. Our President will be the final judge, and you need to **submit your story/tip/idea/approach [through this form](#) by noon on Tuesday 20 February, 2018** – even if you can't make it on the night!

We will share the best tips with our clubs after the night so share your tips to benefit all clubs!

Kirsten Mayer is Executive Officer of Bushwalking NSW, and works to assist bushwalking club members and their management committees when questions and important issues arise.

As a former business analyst, Kirsten facilitated workshop sessions. Kirsten also has a passion for psychology, with a current focus on immaturity.
