You are invited to the Bushwalking NSW November General Meeting Keynote Presentation:

## The Great West Walk

To be presented by Ian Napier, President of The Walking Volunteers

7pm Tuesday 19 November, 2019 at Redfern Town Hall – 7mins walk from Redfern Station

Have you discovered Sydney's brand new 65-kilometre walk?

Like to explore Sydney's protected Cumberland Plain woodland?

*Plus:* Like to discover a multitude of walks all across Sydney?  
We bet you'll find something new. And more on public-transport too!

We are delighted to bring you The Walking Volunteers and their amazing achievement in mapping and coordinating the creation of [The Great West Walk](#)!

This 65-kilometre walk stretching from Parramatta to the foot of the Blue Mountains, crosses a kaleidoscope of varying landscapes, including protected Cumberland Plain woodland, local river systems, public parklands, some of Australia's oldest architecture and Western Sydney's iconic urban landscapes.

While the terrain is relatively flat and an abundance of shared paths make for easy walking, it is the scenery that is the great surprise.

Our presenter, Ian Napier will be sharing photos to illustrate the flavour of the route, its surprises and memorable stretches.

Ian will also touch on the role of The Walking Volunteers in the process of creating the route, and the government's concept of the Green Grid.
