You are invited to the Bushwalking NSW
May General Meeting Keynote Presentation:

Member Jungle: Making club management easier

To be presented by Peter Whitely

Northern Rivers Bushwalking Club Membership Officer

On Tuesday 16 May, 2023 via Zoom – [Registration essential](#)

Peter will discuss the administrative issues previously being faced by NRBC along with a real time demonstration of how the club uses the new system. He will also discuss benefits delivered including:

- more time for membership work (53 new members joined over 9 weeks)
- reduced overhead of President
- \$7 per member for full automation package
- 40hrs to renew 350 members reduced to 1-2 hours
- ease of joining events and discussing weather
- new members attracted to committee due to less work required.

This is the mobile application main screen that greets members when they login. From here members are able to access all club events to register or see who is attending along with club news, photos, blogs etc.

Thanks to those who have completed the survey, send us your feedback now and we will share it with other clubs on May 16th.

Peter Whitely is an active outdoors enthusiast and keen bike rider with a background teaching at the Australian Defence Force Academy and volunteering for the ACT Emergency Services Agency. Peter and his wife Heather enjoy outback travel and will be presenting to us from Kununurra as part of a 4-month NT/WA trip.

Along with his 3 year tenure as the NRBC Membership Officer and Treasurer, Peter was instrumental in the recent implementation of membership automation. The chosen package, Member Jungle, has delivered many time saving benefits in membership and event management and club communications, however achieving this has not been without its challenges.
